Discussion on MMFN's way forward (Peter Besseau, facilitator)	30'
---	-----

Talking points:

- Castilla y León maintains its commitment
- MedForum merges into MFW
- GPFLR Learning sites
- Green Infrastructure and other opportunities

Technical session: Restoring Mediterranean Landscapes

- Presentation of the GPFLR and the Bonn Challenge (Peter Besseau) 10'
- Historical perspective of landscape restoration: the case of candidate Palencia Model Forest (Alvaro Picardo) 20'
- Facilitated discussion: conditions for scaling up restoration in Mediterranean landscapes (Co-chairs facilitate) 40'

Talking points:

- Work around the pledge made to Bonn Challenge, signalling what is needed for it to happen in governance, materials and sustainability views.
- Apply that analysis to the sites compounding the pledge.
- Identify concrete gaps.
- Develop concrete success indicators for these gaps.
- Add the findings.
